

# Meet our Early Years team

Sharon Preece

Early Years Advisory Teacher

## About me

I was born in the North East but lived in North London for 24 years. I've been back home for since 2008. I have three boys who are all lovely people - I'm a proud mam.

I run for Sunderland Harriers and have raced in several marathons. In the Great North Run, I came 26,722nd and I was proud of that! I completed a photography course and annoy everyone I know with my camera.
