We will inform your child or children's school so that Free School Meals can start from the Monday of the next week.

If we are not able to confirm that you are eligible you will also receive an email requesting that you log in to the Family Portal where a message in the Messages section will inform you about the next steps you will need to take.

We must receive a completed application along with any required evidence of benefit entitlement before Free School Meals can be granted.

I need some help with my application

If you have any questions, please contact the Free School Meals Team – (0191) 561 1417 or email: Freeschoolmeals@togetherforchildren.org.uk

What happens if my circumstances change?

If you are claiming free school meals due to receiving a benefit, Tax or Universal credit then you must inform us immediately if your circumstances change. If you stop receiving one of the benefit, Tax or Universal credit then you should contact us and you will no longer be entitled to Free School Meals.

What do I need to do to make sure that my claim for Free School Meals continues?

We review your free school meals claim regularly using the DfE Eligibility Checking service. This service only confirms whether you are or aren't entitled to Free School Meals. It does not provide any other information. If we cannot confirm that you are entitled through doing this check, we will contact you for up to date evidence of the benefits, Tax or universal Credits that you receive.

Will I need to re-apply if my child changes school?

You child remains entitled to free school meals as long as you are eligible. Free school meal entitlement follows you child and any new school will be informed of their entitlement.

My child is in Reception, Year 1 or Year 2 – why am I being asked to complete a Free School Meal application?

All children in Reception, Year 1 and Year 2 receive a free school lunch funded by the Government. However, if parents of children in those year groups receive the benefits, Tax or Universal credits that would mean that they are eligible for Free School Meals, the school will receive Pupil Premium if the parent makes an application for Free School Meals. Pupil Premium is additional funding paid to the school to purchase extra teaching support or resources to enhance children's education.
